We welcome all questions and commentary, including constructive feedback. We don't take decisions on moderating posts lightly. But we do expect that participants post content and commentary that is both relevant and respectful to this community as a whole. We expect you to agree to these rules:

1. We will remove all bad language, spam, off-topic, or defamatory comments
2. Please don't post anything that isn't yours to post
3. Be transparent – if you have a vested interest in something be the first to let everyone know
4. We will take down any posts we find to be in violation of any of the above.

For questions about terms and conditions for our services, please visit:
